- *JST is a very hard metal and the finger size cannot be changed after it is made. All other metals can be re-sized after the ring is made.
- Most men prefer the Large and most women prefer the Small

[3] DEGREE on ring. Specify exactly what you want here, maximum 6 characters.

[4] YEAR on ring. Specify exactly what you want here, maximum 6 characters.

[5] Provide us your finger size. Request a free ring sizer from RingCompany or (faster) pass by any jewelry store or even Walmart and get your finger sized. It is important to get this right as changes may be inconvenient.

There is also a \$35 shipping fee applied to your order if the ring is shipped to the continental USA. There are no taxes and no set up fees.

Once the above information is received, Gabriel will email you the order paperwork and instructions to make payment.

NOTE: Ring production takes 6-8 weeks.
